

# TRUCKEE MEADOWS PARKS FOUNDATION

AWARENESS • APPRECIATION • STEWARDSHIP

## 2014 Annual Report

### Our Mission

TMPF strives to improve the lives of northern Nevadans by enhancing the quality and sustainability of our local parks. We work to support parks and open spaces in the following ways:

- 1) Through park-based educational and recreational programs.
- 2) By providing private financial support for new and existing park infrastructure.
- 3) By serving as a mechanism through which citizens can advocate for their parks.

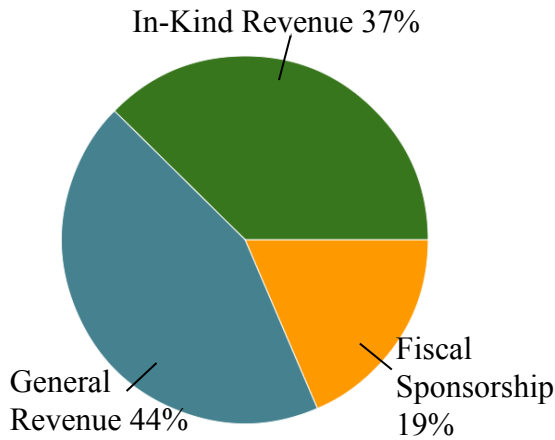

### Important Dates

## Fiscal Sponsorship

TMPF helps local community groups take action to improve neighborhood parks.

In 2014, TMPF helped the Virginia Lake Dog Park Restoration Association organize and raise over \$50,000 to rehabilitate this vital public park in the heart of Reno.

TMPF also worked with Reno Tennis Center management to raise \$40,000 to resurface several tennis courts.
